PROPOSAL SECTION

STATE PROPOSALS

18-1

A proposed initiated law to authorize and legalize possession, use and cultivation of marijuana products by individuals who are at least 21 years of age and older, and commercial sales of marijuana through state-licensed retailers

This proposal would:

- Allow individuals 21 and older to purchase, possess and use marijuana and marijuana-infused edibles, and grow up to 12 marijuana plants for personal consumption.
- Impose a 10-ounce limit for marijuana kept at residences and require amounts over 2.5 ounces be secured in locked containers.
- Create a state licensing system for marijuana businesses and allow municipalities to ban or restrict them.
- Permit retail sales of marijuana and edibles subject to a 10% tax, dedicated to implementation costs, clinical trials, schools, roads, and municipalities where marijuana businesses are located.
- Change several current violations from crimes to civil infractions.

Should this proposal be adopted?

18-2

A proposed constitutional amendment to establish a commission of citizens with exclusive authority to adopt district boundaries for the Michigan Senate, Michigan House of Representatives and U.S. Congress, every 10 years

This proposed constitutional amendment would:

- Create a commission of 13 registered voters randomly selected by the Secretary of State:
 - 4 each who self-identify as affiliated with the 2 major political parties; and
 - 5 who self-identify as unaffiliated with major political parties
- Prohibit partisan officeholders and candidates, their employees, certain relatives, and lobbyists from serving as commissioners
- Establish new redistricting criteria including geographically compact and contiguous districts of equal population, reflecting Michigan's diverse population and communities of interest. Districts shall not provide disproportionate advantage to political parties or candidates.
- Require an appropriation of funds for commission operations and commissioner compensation.

Should this proposal be adopted?

18-3

A proposal to authorize automatic and Election Day voter registration, no-reason absentee voting, and straight ticket voting; and add current legal requirements for military and overseas voting and post-election audits to the Michigan Constitution

This proposed constitutional amendment would allow a United States citizen who is qualified to vote in Michigan to:

- Become automatically registered to vote when applying for, updating or renewing a driver's license or state-issued personal identification card, unless the person declines.
- Simultaneously register to vote with proof of residency and obtain a ballot during the 2-week period prior to an election, up to and including Election Day.
- Obtain an absent voter ballot without providing a reason.
- Cast a straight-ticket vote for all candidates of a particular political party when voting in a partisan general election.

Should this proposal be adopted?

TOWNSHIP PROPOSALS

Woodbridge Township Roads And Bridges Millage Proposal

Shall the limitation on the amount of taxes imposed under Article IX, Section 6 of the Michigan Constitution be increased on all taxable real and intangible personal property in Woodbridge Township, Hillsdale County, Michigan up to the amount of 1.0 mill (\$1.00 per \$1,000 of taxable value) for the period of five (5) years, 2018 through 2022 inclusive, for the purpose of maintaining and improving roads and bridges; and shall the Township levy such millage for this purpose during such period which will raise in the first year an estimated \$34,089?

LOCAL SCHOOL DISTRICT PROPOSALS

Camden-Frontier School Operating Millage Renewal Proposal

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and renews millage that will expire with the 2018 tax levy.

Shall the currently authorized millage rate limitation of 21 mills (\$21.00 on each \$1,000 of taxable valuation) on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Camden-Frontier School, Hillsdale and Branch Counties, Michigan, be renewed for a period of 6 years, 2019 to 2024, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2019 is approximately \$673,164 (this is a renewal of millage that will expire with the 2018 tax levy)?
